Colored Soldiers Kicking. There is great indignation among the members of the Sixth and Seventh Battalions of colored troops of the National Guard of the District of Columbia over the proposed action of General Ordway in cutting off four of the colored companies from the National Guard. The Sixth Battalion comprises the Washington Cadets and the Seventh the Capital City Guards, so the cutting off of four companies means cutting off a battalion, and that battalion will either be the Cadets or the City Guards. At the last session of Congress the appropriation made for the National Guard only provided for twenty-eight instead of thirty-two companies, as the guard now stands. This necessitated the reduction of four companies, and colored companies were selected, which is strongly objected to as gross discrimination on account of color. An inspection of the eight colored companies has been ordered, and the most deficient four of the eight will be reduced.

He had not only refused to pay Caywood's bill of £3, but in the station-house threatened him with a knife. Sullivan's friends paid the £3, and got him out of the station-house.

What is New in the Market, and What Common Things Cost. As Dr. Diffonay walked through the Center Market this morning he smiled a Dr. Jekyl smile, that however, had a bit of Mr. Hyde in it. He asked the marketman how much the nice, new encumbers were, and the marketman told him they were 35 and

40 cents apiece.

Then the doctor said, "very reasonable, very reasonable," with a soft of chuckle and added, "you ought to sprinkle some water over them. It makes them look fresher and more tempting."

The marketman did and the cucumbers leoked fresh and tempting indeed.

On more of the stails were trays full of new peas from down South, where it has been spring for weeks instead of for days as it has been here. Recovered After Many Years. M. H. Haskell, a guest at the Ebbit House during inauguration week, stated that he had in his possession a silver cup from the battle-field of Rich Mountain, in from the battle-field of Rich Mountain, in West Virginia, and that he would be happy to return it to its rightful owner. He said that he had served in the Thirteenth Ohio Infantry, and described the article to some extent. Colonel Julius De Laguel of Alexandria, noting this, wrote to the gentleman, whereupon several letters were exchanged as to its identity, etc., and on Wednesday night the cup, together with a silk sash lost at the same time, were left at the Colonel's residence in Alexandria by an expressman. Death of Antonio Pons.

Mr. Autonio Pons of East Washington died Wednesday afternoon at his residence, 524 Eighth street southeast, at the advanced age of 83 years. He had been a member of the Marine Band for many years, and was also its leader at one time. For nearly thirty years he has been a pensioner, and after his retirement from the band he pur-sued the calling of a cabinet-maker and instrument repairer. He leaves a married son and unmarried daughter. The funeral took place this afternoon from his late resi-dence.

"Natural Gas" is a classic, and Donnelly and Girard will make a graveyard grin. As to the graceful gyrations of Lena Merville and that fascinating kick of hers, words fail, and so they do also in any descriptive attempts upon Miss May Yoke. There's a pretty brown-eyed, dark-haired, pink-cheeked chorus girl in the "Said Pasha" Company who can break a heart at 160 yards nine times in ten. We were fortunate enough to secure the exclusive Washington agency of one of the largest manufacturers in this country, and are in con-sequence enabled to quote prices considerably lower than would otherwise be possible. The various designs and shapes are actual reproductions of the solid gold jewelry, and in addition we show a vast number of exclusively original designs and shapes not to be found

Particular attention is called to the Enameled Jewelry and Real Enamel Brooches, etc. The enamel is made from various kinds of sand and the oxides of different metals.
